FREdericksburg Regional Transit

# Press Release

Hospitals provide \$45,000 to FRED Transit

**FREdericksburg Regional Transit (FRED) has received Community Benefit Funding in the amount of \$20,000 from Mary Washington Hospital (MWH) and \$25,000 from Stafford Hospital.**

**FRED Transit will use these funds to promote increased access to high-quality healthcare especially to those individuals who have lower incomes or are medically under-served in some way. FRED will accomplish this by providing convenient, dependable, accessible and affordable transportation to local healthcare providers, as well as serving social service agencies that can also provide needed services.**

**FRED Transit provides transportation to and from the city of Fredericksburg and the counties of Caroline, Spotsylvania, and Stafford counties. It is funded by Federal, State and local governments and private Partners such as MWH and Stafford Hospital.**
