

FREDericksburg Regional Transit (FRED) Reduced Fare (Half-Fare) Program

Dear Reduced Fare Applicant:

Thank you for your interest in the FRED Reduced Fare (Half-Fare) Program. This program offers a discounted bus fare to qualified individuals. There are three categories used to determine eligibility:

1. An eligible person is one who meets the Federal Transit Administration's (FTA is a department of the United States Department of Transportation) definition of disabled, which is, "disabled persons means any individual who, by reason of illness, injury, age, congenital malfunction, or other permanent or temporary disability, are unable, without special facilities or special planning or design, to utilize mass transportation and services as effectively as persons who are not so affected"; or
2. Persons who present a Medicare card; or
3. Persons who are 62 years of age or older.

Eligible persons may ride FRED's regular or VRE service for half-fare during non-peak hours of service. Refer to www.rideFRED.com for hours.

THE APPLICATION PROCESS:

- Complete the application and be sure to sign page 4,
- Have your certifying agent/physician complete and sign page 5 of the application,
- Mail or deliver your completed application to 1400 Jefferson Davis Highway, Fredericksburg, VA 22401, between the hours of 7:00 am and 8:30 pm, Monday thru Friday.
- Upon review and approval of your application, you will be contacted to schedule an appointment to have your photograph taken and receive your Reduced Fare ID card.

WHAT IS THE REDUCED FARE ID CARD?

The Reduced Fare ID card provides proof of eligibility for riders to use when purchasing discounted bus fares.

ARE THERE DIFFERENT LEVELS OF ELIGIBILITY FOR PERSONS WITH DISABILITIES?

Eligibility can either be permanent or temporary.

- A. **Permanent** means any impairment that is expected to last a lifetime that impairs an individual's ability to ride the bus.
- B. **Temporary** means any impairment that is expected to last for a period of at least three months and not more than twelve months.

Applicants meeting the conditions for eligibility will be issued a photo identification card to be used for reduced fare. There is no charge to the applicant for the initial Reduced Fare ID card, however if the card is lost or stolen, a replacement card will be issued at a cost of \$5.00. Your FRED Reduced Fare ID card is to be used exclusively by you. Allowing others to use it is prohibited, and will result in the immediate loss of eligibility.

Any questions or concerns regarding the Reduced Fare (Half-Fare) Program, please contact Mr. Craig Reed, Manager Policy, Planning & Compliance, at rcreed@fredericksburgva.gov or call (540) 372-1222 ext. 209.
